

HOW TO MAKE CUSTOM IMAGE

2022.4.2

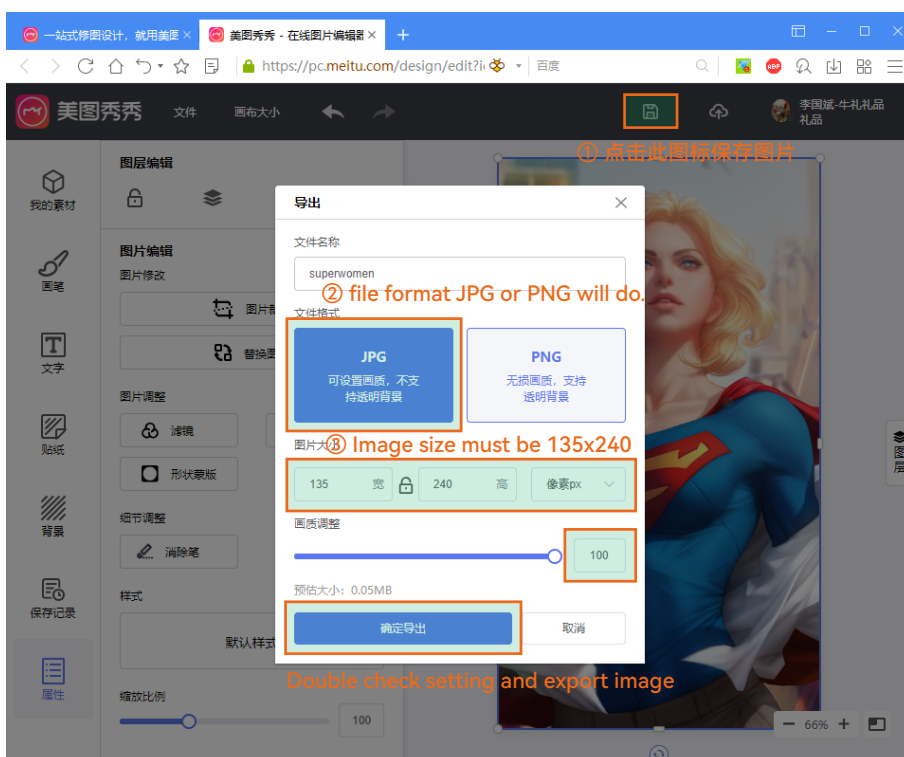

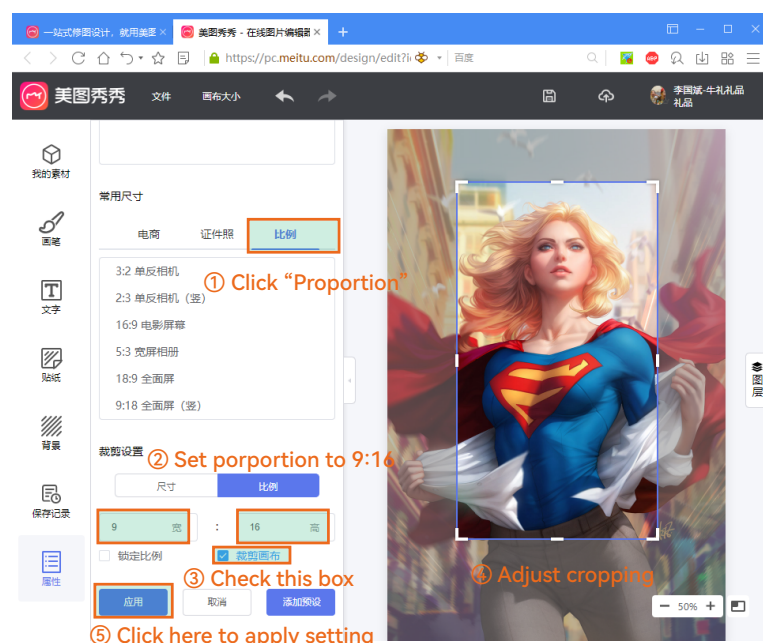

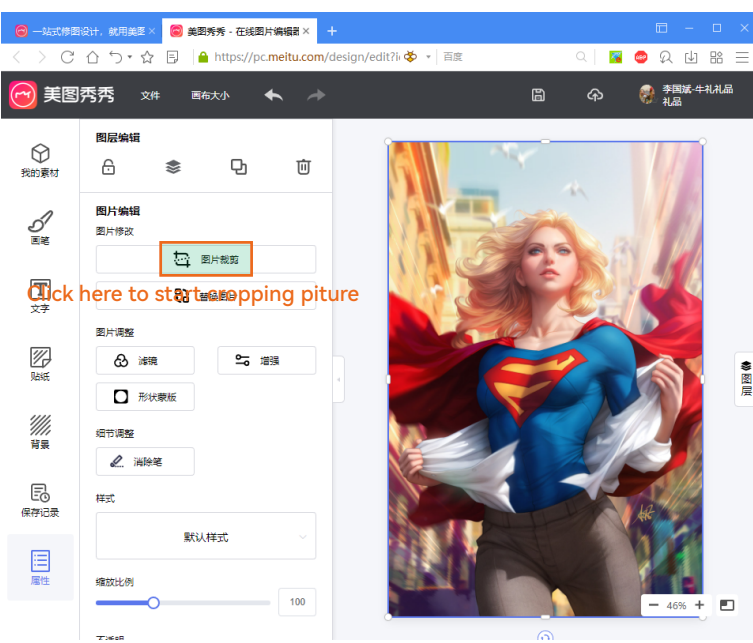

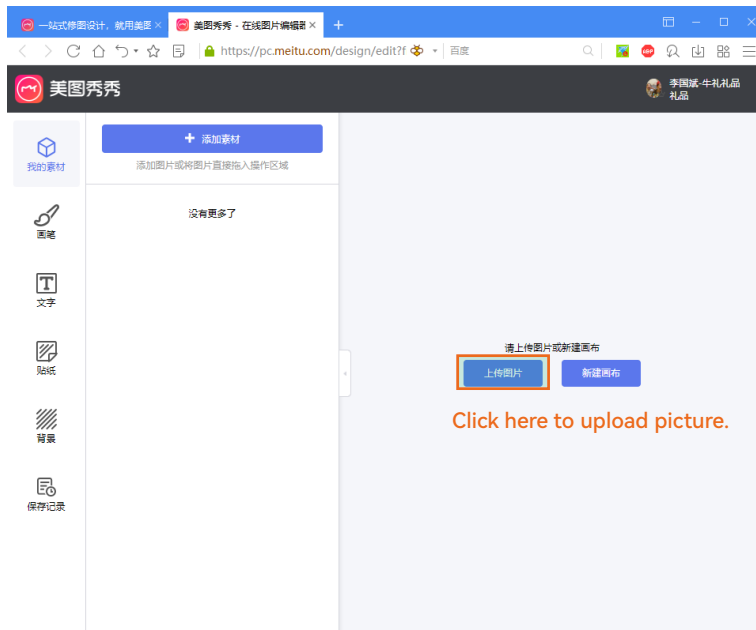

I. Image format

Supports common image format, such as jpg/png/bmp/24bit

II. Cropping Images

Open online picture editing page in your computer browser:

<https://pc.meitu.com/design/edit?from=icon> (Any picture edit software will do the job.)

Attention: image size must be 135x240pt.

III. Naming the Images

Name all the images according to the following rules:

1. For clock faces: name all the images from 0-9 to match the actual number on the images.
2. For photo album mode: name all the images from 0-11.
